

Organic Lecithin

CERTIFIED ORGANIC, NON-GMO, EXCLUSIVE FROM CLARKSON SOY PRODUCTS, LLC

SOY LECITHIN DRY BLEND

Organic Soy Lecithin Granules

Product Specifications

Product Description: A dry lecithin blend that is produced from organic soy lecithin. The liquid soy lecithin is mixed with other organic and natural ingredients and sifted through a 35 - 40 mesh screen. Contains a minimum of 50% Organic Soy Lecithin.

Product Code: 16DS

Regulatory Status: Certified organic under the USDA National Organic Program (NOP) by QAI (Quality Assurance International); certified Kosher and Pareve by KSA (Kosher Supervision of America). Produced without the use of genetic engineering, irradiation, sewage sludge or the use of solvents including hexane. Lecithin is generally recognized as safe (GRAS) as a multi-purpose food additive under Title 21 CFR 184.1400. Not listed under California Prop 65. Made from soybeans certified organic under USDA NOP which requires farmers to use non-GMO seed to be certified organic.

Labeling: organic soy lecithin, organic maltodextrin, organic rice concentrate, silicone dioxide (represents <4.5% of the product)

Storage Conditions: This product should be kept at temperatures between 40° and 100° F. Avoid excessive exposure to light and moisture. The shelf life is a minimum of 18 months when stored unopened in the original container.

Packaging: Typical Packing: Net 20 lb. plastic pails and 100 lb. fiber drums
